

Tuition at Liberty Christian is not a “one-size-fits-all.” Rather, it is a range that spans from 40-85% of the full cost of education. While it is the school’s expectation that everyone pays the standard rate at the top end of the range, Variable Tuition adjusts tuition rates to meet your family’s unique financial position.

TUITION RATES	First Child	Second Child	Third Child	Fourth Child

Payments will be at the top tier unless a variable tuition application has been submitted and approved. Variable tuition may be available for those families who qualify based on demonstrated and documented financial need through a FACTS Grant & Aid application.

Monthly amounts reflect a 12-month payment plan starting in July and ending in June. If enrollment occurs after July 1st, the monthly payment amount will be pro-rated based on the number of school days remaining and the number of months remaining to pay. For payment and withdrawal, and/or refund policies, [please visit our website](#).

**Families with a single child enrolled in K4 pay the standard published rate; however, variable tuition may be applicable to K4 for families with multiple students enrolled.
